OUR ENERGY MAKES ENERGY

Access to reliable energy is a key indicator of people living longer healthier lives in today's technology-driven world. Global demand for energy is increasing every day and to meet demand, we believe that the addition and expansion of all energy sources are necessary.

**WE ARE SEEKERS,
ACHIEVERS, DOERS AND
DOT-CONNECTORS.**

LIVE.

A LIFE FULL OF ENERGY.

Devon aims to be the most reliable and responsible operator delivering energy the world needs so we can all **live a life full of energy.**

REAL FEEDBACK FROM FORMER DEVON INTERNS

"I engaged with top Devon executives on a first-name basis!"

"I got more out of the internship than 'in office' learning, the housing opportunity provided by Devon also let me experience living on my own."

"I had no idea there was so much technology in an oil and gas company – Devon offered way more than I expected from an oil and gas company."
