Message from the Board Chairman

On behalf of the Devon Energy Corporation Political Action Committee, I am pleased to present our 2022 DECPAC annual report.

Thanks to your commitment, DECPAC again saw positive results in 2023. DECPAC works to ensure that your political voice and that of our company is heard through support of principled candidates who share Devon's pro-energy and pro-business principles.

DECPAC plays a significant role in advocating on behalf of our industry importance and promoting American energy independence. As a result of your help and involvement, DECPAC is one of our most valuable tools to help ensure we have a voice in the discussions on Capitol Hill and in state capitols across the country.

With your continued support, we can continue working toward our vision of creating a more solid energy future and a better America.

Sincerely,
Rick Muncrief, Board Chairman
